**GUNNISON COUNTY ISSUES 2019-2020 PERFORMANCE REPORT
Report Includes Special COVID-19 Section**

Gunnison County, Colo – The Gunnison County, Colorado 2019-2020 Performance Report is now available online at <https://gunnisoncounty.org/ArchiveCenter/ViewFile/Item/4154>. The report, customarily provided annually, was delayed due to the County’s extensive involvement in the COVID-19 pandemic response. Fittingly, a special three-page COVID-19 section has been included in the report.

The content of Gunnison County’s performance reports is directly aligned to the strategic results established by County leaders and outlined in the Gunnison County Strategic Plan, which was last updated in May 2019 and planned for further updates in early 2022. As well, much of the Gunnison County Strategic Plan is directly correlated with the One Valley Prosperity Project (OVPP) collaborative initiative.

To view/download previous Gunnison County Performance Reports, visit our website at <https://gunnisoncounty.org/Archive.aspx?AMID=89>. For more information about Gunnison County’s performance management efforts, visit the County’s website at <https://gunnisoncounty.org/Performance>. To request a printed copy of the 2019-2020 Gunnison County Performance Report, contact the County Manager Matthew Birnie at (970) 641-7602.
