STANDING PUBLIC HEALTH ORDER RELATED TO EVENTS

Pursuant to Colo. Rev. Stat. § 25-1-506 and other applicable authority, this Order sets forth guidance and requirements for, as well as limitations on, group gatherings to slow the spread of the COVID-19 virus.

On March 10, 2020, the Governor of Colorado declared a state of Emergency related to the presence of COVID-19 in the State. The Colorado Department of Public Health and Environment has confirmed that COVID-19 continues to spread throughout the State of Colorado, and community transmission of the illness has been confirmed in Gunnison County.

On March 12, 2020, Gunnison County declared a Local Disaster Emergency related to COVID-19.

On March 13, 2020, the President of the United States declared a National Emergency due to COVID-19.

The age, condition, and health of a significant portion of the population in Gunnison County places it at risk of serious health complications, including death, from COVID-19. Although most individuals who contract COVID-19 do not become seriously ill, persons with mild symptoms and asymptomatic persons with COVID-19 may place other vulnerable members of the public at significant risk. A large surge in the number of persons with serious infections can compromise the ability of the healthcare system, particularly in the high-country counties currently affected by community transmission, to deliver necessary healthcare to the public.

The limitations on large gatherings and use of social distancing decreases the risk of COVID-19 transmission to our most vulnerable populations, and is especially important for people who are over 60 years old and those with chronic health conditions due to their higher risk of severe illness and death from COVID-19. This Order will reduce the likelihood that many individuals will be exposed to COVID-19 at a single event, and will therefore slow the spread of COVID-19 in our communities.

This Order is adopted pursuant to the legal authority set forth in sections 25-1-506 and 25-1-508, Colorado Revised Statutes. Under these laws, the Gunnison County Public Health Director has the duty to investigate and control the causes of epidemic or communicable diseases and conditions affecting public health and to establish, maintain, and enforce isolation and quarantine, and in pursuance thereof, and for this purpose only, to exercise physical control over property and over the persons of the people within the jurisdiction of the agency as the agency may find necessary for the protection of the public health.

This Order shall apply to all unincorporated areas of Gunnison County, Colorado and all incorporated (municipal) areas that do not have their own public health agency, to wit: City of Gunnison, Town of Crested Butte, Town of Mt. Crested Butte, Town of Marble, and the Town of Pitkin, Colorado.

All events must follow the requirements stated herein.

I. DEFINITIONS

For purposes of this Order:

An “Event” is a gathering for business, social, or recreational activities, or a location that engages in or allows for such activities; that takes place indoors or outdoors, including, but not limited to, community, civic, public, leisure, or sporting events; parades; concerts; festivals; assemblies; places of worship; conventions; fundraisers; restaurants that have a capacity of 50 or more persons and that have 50 or more persons present; community recreational centers; ice rinks; libraries; child care centers; and similar locations and activities.

“Event” does not include activities that are primarily individual or occur in small groups or in non-congregate settings, such as places of employment or primarily small-group sports like cross-country (Nordic) and downhill skiing, as long as social distancing occurs particularly in areas where congregating in groups is unavoidable, such as ski lift lines. “Event” also does not include places of employment for federal, state, local and special district employees, employees of public utilities or utility service providers (e.g., electric utility providers, internet service providers, water and sewer service providers). For the avoidance of doubt, “Event” does not include ski lifts, but does include other congregate spaces at ski areas, such as lodges, restaurants, or ski rental facilities.

II. ORDER

- A. All events of more than 50 people or more are prohibited.

- B. Events with fewer than 50 attendees are prohibited unless event organizers take the following steps to mitigate risks:
 - a. Older adults (age 60 and older) and individuals with underlying medical conditions that are at increased risk of serious COVID-19 are not permitted to attend (including employees).

 - b. Social distancing recommendations must be met. These include limiting contact of people within 6 feet from each other for 10 minutes or longer, and any other guidance. *See* Section III, below.

 - c. Employees must be screened for coronavirus symptoms each day and excluded if symptomatic.

 - d. Proper hand hygiene and sanitation must be readily available to all attendees and employees.

 - e. Environmental cleaning guidelines from the US Centers for Disease Control and Prevention (CDC) are followed (e.g., clean and disinfect high touch surfaces daily or more frequently).
