**Notice:** Separate state issued permits are required for electrical and plumbing/fuel gas work. From the date of mechanical permit issuance, the applicant has 180 days to commence work before the permit expires. By signing this application the applicant acknowledges that the information provided above is true and correct and agrees to comply with Gunnison County's adopted building codes and land use requirements regulating the proposed work. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
